Dear Ms. Schneider:

Congratulations! Your company was selected to receive Pinnacol's 2013 Circle of Safety Award. It is important keep workers safe, while managing costs. This dynamic is essential to making Colorado a great place to do business.

I know that less than one percent of Pinnacol policyholders receive this honor. This award demonstrates that you are among the best in Colorado. Thank you for embracing the importance of a safe workplace, and investing the time and resources to make it happen.

Sincerely,
